A HORSE STOLEN.
Special to the Gazette.
BELTON, Sept. 2.—Some thief stole
George Heley's fine bay horse from
his stable last night. The horse is
branded CL on the left shoulder, and
has one white hind foot. Officers
should look out for the thief.

STRUCK FOR RESISTING AN OFFICER.
Special to the Gazette.
GAINESVILLE, TEX., Sept. 2.—John
Piper was arrested late yesterday
afternoon, and while resisting an offi-
cer, was struck over the head with a
pistol. The blood flowed freely, though
he was not seriously hurt.

A DOUBLE SHOOTING AFFRAY.
Special to the Gazette.
SULPHUR SPRINGS, Sept. 2.—Last
night about 11 o'clock Will Weaver,
the son of Col. J. A. Weaver of this
place, shot Walter Smith and George
James. Smith is shot through the
right lung and James through the left
lung. Both are thought to be mortally
wounded. It is thought that the
shooting of James was unintentional.
Weaver escaped, and he is still at large.

FINED FOR CARRYING A PISTOL.
Special to the Gazette.
WEATHERFORD, TEX., Sept. 2.—
Last night one Frank Vicks got drunk
and rode up to the jail. Sheriff W. K.
Hayler and Jailer E. M. Tolkett saw
him and thinking that he was trying
to get something up to the prisoners
ordered him to halt, when Vick drew
a pistol and attempted to fire. The
officers then fired at him and finally,
after shooting his horse, captured him.
This morning he was fined for carry-
ing a pistol.

A REBELLIOUS NEGRO.
Special to the Gazette.
GAINESVILLE, TEX., Sept. 2.—Dick
Briant, a negro charged with aggra-
vated assault upon one Lee Stone, was
tried yesterday and fined \$10 and
costs. While being taken to jail by
Officer Harriot the negro remarked
that he would not go into the cell.
When the cell door was reached he
made some resistance, when Deputy
Sheriff Hunt was called. When Hunt
arrived the negro struck him a
hard blow with his fist under one of
his eyes. Officer Harriot then fired
at the negro, and but for the door
swinging to, it is believed would have
killed him. Briant is a bad negro, and
many regret that he was not killed.

A HORSE POISONER.
ST. LOUIS, MO., Sept. 2.—Thos. Red-
mond, charged with attempting to
poison the racing mare, the Lady of
the Lake, was removed from the cala-
boose to the jail to-day. He has not
made a full confession as has been
stated, therefore it is not known who
engaged with him in his dastardly
scheme to disable the race horses
and the pool box. The police think
that they have clues to work on, how-
ever, and will endeavor to ferret out
the guilty parties. It is said that Red-
mond does John Davis and other
horses at Chicago, and that he worked

his scheme at New Orleans and other
places. The Jockey club will hold a
meeting to-morrow, and investigate
the matter as far as they can.

A FARMER SHOT.
LLOYDSVILLE, PA., Sept. 2.—An
atrocious murder was committed a
few miles from here this evening at
dusk. Charles Griffith, a respecta-
ble farmer aged sixty, was
shot and instantly killed by
Emmett Mitchell, aged 25, a
brother of the prosecuting attorney of
Belmont county. No one witnessed
the deed. Mitchell was wild and
reckless, his victim bore an excellent
reputation. The murderer escaped,
and was not captured. An old grudge
is said to be the cause of the shooting.

A POLICE OFFICER SHOT.
PITTSBURGH, PA., Sept. 2.—A police
officer named Little arrested two
Italians named Diardi and Finchi this
morning for fighting on the street, and
was taking them to the Twelfth-ward
station when he was attacked with a
knife by a friend of the pris-
oners and stabbed in the back
several times. The plucky officer
held on to Diardi and Finchi, how-
ever, and finally succeeded in placing
them behind the bars, when he fainted
from loss of blood. An examination
of the wounds showed a number of
ugly gashes in the back and one deep
cut across the neck. His condition is
serious and his recovery is doubtful.
His assailant is not yet captured.

LYNCHED FOR ATTEMPTED RAPE.
MEMPHIS, TENN., Sept. 2.—Intelli-
gence has been received here of the
hanging, by a posse of citizens, of Ed.
Thomas, a negro who recently at-
tempted to ravish the wife of W. W.
Wilson, a respectable farmer residing
near Senatobia. He was thwarted in
his designs by Mrs. Wilson's screams
and fled. He was pursued and caught
last Saturday three miles south of
Hernando, Miss. When brought be-
fore Mrs. Wilson she identified him.
The crowd, which was composed of
200 men, half colored, then took him
in the woods and hung him up. No
disguises were used. Mrs. Wilson
was in a delicate condition at the time
of the attempted rape. Her life has
been in a critical condition ever since.
She may never recover from the shock.

TWO HORSE THIEVES SHOT.
Special to the Gazette.
WEATHERFORD, TEX., Sept. 2.—On
Sunday evening, August 31, a couple
of horse thieves named Smith and
Martin stole some horses near Spring-
town in this county and were followed
by a posse of citizens who overtook
them near Poolville. The thieves
were armed with six-shooters and
commenced firing on the posse
which was returned. Dr. Dicky's
horse commenced pitching and threw
him off. Martin then ran toward
him, shooting at him all the while.
Mr. John McCracken seeing this shot
Martin with a shot-gun. Smith then
turned his attention to McCracken,
and attempted to shoot him, when Dr.
Dicky and another one of the posse
shot Smith, mortally wounding him.
He has since died. Neither one of the
posse was hit.

MONTANA HORSE THIEVES HUNG.
HELENA, MONT., Sept. 2.—Ma. J.
W. Hatchaway, just from Fort Mag-
ninnis, reports that last week a Mis-
souri river steamer en route to Benton
met five men on a raft believing to
be in charge at Rocky Point,
forty miles west of Fort Maginnis.
The water became too low to proceed,
and the prisoners were turned over to
the men on shore with instruc-

tions to deliver them to
the sheriff. It has been since
ascertained that the men ashore were
cowboys. As nothing more has been
heard of the prisoners the conclusion
is that they were hung. That section
is a cattle range uninhabited except by
cowboys, who are reticent concerning
mortality among horse thieves, so that
it is difficult to ascertain the facts as to
the prisoners' fate. Jerry Owens, a
notorious horse thief, is known to be
one of the missing men. The names of
others are unknown.

LAUNCHED INTO ETERNITY.
PITTSBURGH, PA., Sept. 2.—Martin
Weinberger was hanged to-day in the
county jail yard for the murder of
Louis Gottfreund, a peddler, near
Sewickly on the night of June 16,
1882. The execution was private,
not more than fifty
persons including the members of the
press being present. The condemned
slept well last night and ate a hearty
breakfast. At 10:30 the procession
took up his march to the scaffold.
Weinberger walked with a firm step
and unflinchingly mounted the
scaffold and took his position
on the trap. There were no
religious services, and after the noose
was adjusted the trap was sprung and
the condemned man launched into
eternity. Death resulted from strangu-
lation, and in fifteen minutes
life was pronounced extinct. Wein-
berger was a Jew, the first ever hanged
in Allegheny county and he is be-
lieved to be the second ever hanged in
the United States. His friends were
untiring in their efforts to obtain com-
mutation, but the pardon board and
the governor refused to interfere.

THE MINERS.

One Hundred Miners are Repulsed in a
Night Attack on the Guards at
Butcher, Ohio.

The Miners at Coal Centre Protected by
the Sheriff—Some Strikers Re-
turn to Work.

PROTECTING THE WORKERS.
COAL CENTRE, PA., Sept. 2.—Sheriff
Chambers arrived here last night and
will remain to see that
ample protection is given to all who
desire to work. The strikers have
made no attempt to intercept any non-
unionists on their way to work since
Saturday morning, and it is thought
that many of them will avail them-
selves of the sheriff's presence to re-
turn to the mines. No trouble is an-
ticipated to-day.

A NIGHT ATTACK.
CINCINNATI, OHIO, Sept. 2.—The
Times Star gave this Ohio special:
Everything is quiet here and no
attack is anticipated in the day time.
About one hundred strikers moved on
Bochel last night and fired on the
guards; the fire being promptly re-
turned the strikers fled. No
casualties are reported. Three
hundred militia reached the
valley last night and were placed at
Snake Hollow, Sandtown and Long-
street. The strikers report that seven
of their number were wounded in the
attack at Longstreet Sunday night,
two fatally. The bridges have been
threatened and a patrol team was kept
running all night.

THE MILITIA DISMISSED.
COLUMBUS, OHIO, Sept. 2.—The
situation at the mines to-day is the most
quiet of any time since the strike be-
gan. No damage to person or prop-
erty resulted from the at-
tacks of the night. The governor
has ordered all the militia companies
which were being held for moving or-
ders dismissed for the present with the
exception of Company K, which will
be taken to the vicinity of the mines
this afternoon to be used at different
points on the railroad.

not recover.

AN OIL TANK EXPLODED.
INDIANAPOLIS, IND., Sept. 2.—A
special to the Journal says: An oil
tank on a west-bound freight, on the
Indianapolis road, exploded this
morning. The train took fire and was
almost entirely destroyed. A stock-
man, whose name was not learned,
was burned to death. The cause of
the explosion is unknown.

A FREIGHT TRAIN WHICKED.
Special to the Gazette.
TYLER, TEX., Sept. 2.—Another
freight train was wrecked on the Tex-
as & St. Louis railway to-day between
Tyler and Athens, resulting in the
serious if not fatal injury of John Don-
nelly, a well-known engineer, formerly
of the International & Great North-
ern at Palestine. The cause was a
burnt bridge.

ACCIDENTALLY KILLED.
Special to the Gazette.
MATAMORAS, MEX., Sept. 2.—Juan
Pena, a nephew of the wealthy mer-
chant J. S. Cross, was accidentally
shot and killed by Jose Villaveal.
They were playing with the pistol,
when Jose, to frighten Juan, said "I
will shoot you," and pointing the
pistol at his head, did so, killing him
instantly. It is a very sad affair, an-
other repetition of the unloading
pistol.

RUN OVER BY A TRAIN.
Special to the Gazette.
LAUREL, TEX., Sept. 2.—The pas-
senger train which arrives here on the
International at 6:05 a. m. ran over
and terribly mangled a Mexican, who
it is claimed was asleep on the track.
It is hard to tell how it happened
as his father and brother
were with him and they say they
knew nothing about it until they
found the fragments of his body on
the track. The father caused the
arrest of the engineer, charging him
with murder. No one believes the en-
gineer is to blame, as he is above re-
proach in his profession.

THE CREW OF A BRITISH BRIG MISSING.

ST. JOHNS, N. F., Sept. 2.—Friday
last, thirty miles off Catalina in the
Trinity bay, the British ship Mallard
was encountered by the British brig
Resoluer. The vessel was damaged on
both sides. The side lights were burn-
ing and there was a fire in the gallery
stoves. The sails were all set, the head
gear all gone, and there were no signs
of crew or passengers. The Resoluer
left Harbor Grace Wednesday with a
crew of nine men and four passengers,
bound for Labrador. She had a gen-
eral cargo. It is thought that the
brig had been in collision with an
iceberg. It is feared that all on board
are lost.

AN EARLY MORNING BLAZE.
DENTON, TEX., Sept. 2.—Yesterday
morning about 3 o'clock the furniture
and coffin warehouse of J. Schmitz &
Son on the northwest corner of the
square was discovered in flames.
When discovered the fire had gotten
under such headway as to be uncon-
rollable and in a very
short time the house and its
contents were in ashes. The loss on
stock was about \$5000 and on the house
\$300. There was insurance on the
stock amounting to \$3400, as follows:
In the Phoenix of Hartford, \$1000;
Germania of New York \$500; Commer-
cial of ————— \$1000.
The fire is supposed to have been the
work of an incendiary.
There had been no fire about
the premises for quite a while.

A Circuit Court Decision.

RICHMOND, VA., Sept. 2.—The
United States circuit court decided
fourteen cases to-day, involving over
\$300,000 in tax receivable in coupons.
